SAFETY DATA SHEET

Plant of Health NatraStore4™, Issue Date: April 2026

1. IDENTIFICATION

Product Name: Plant of Health NatraStore4™

Recommended Use: Fertiliser

Company Details:
Batphone Australia
22 Morrisby St Geebung 4034
ABN 15 639 596 580
Phone: +61 (07) 3865 1288

Emergency Contact Points
National Poisons Information Centre: 13 11 26 (from anywhere in Australia, 24 hours)
Police, Ambulance and Fire Brigade: 000 in Australia (Mobile 112)
World Emergency Number: +613 9573 3112 (Worldwide, 24 hours)

2. HAZARDS IDENTIFICATION

GHS Classification
Not classified as Hazardous according to Australian Criteria of the Globally Harmonised System of Classification and Labelling of Chemicals (GHS).

Hazard Category(s)
N/A

GHS Label elements
Pictograms
N/A

Signal Word
N/A

Hazard Statement(s)
Not scheduled a poison according to NDPSC

Precautionary Statement(s)
Prevention
N/A

SDS: Plant of Health NatraStore4™, Issue Date: April 2026

Response
N/A

Storage
N/A

Disposal
P501 Dispose of contents/container in accordance with local and national regulations.

3. COMPOSITION / INFORMATION ON INGREDIENTS

Name	CAS No.	Content
Zeolite	N/A	To 100%
Dehydrated plant material (saponins) & kelp	1318-02-1	To 100%
Potassium Poly Acrylate	25608-12-2	<5%

4. FIRST AID MEASURES

Ingestion
- If swallowed, do not induce vomiting unless directed by medical personnel.
- Rinse and wash mouth with water (if patient is conscious). Seek medical advice for any persistent symptoms.

Inhalation
- Remove from exposure and if irritation persists, seek medical attention.

Skin contact
- Wash thoroughly with soap and water (use non-abrasive soap).
- If irritation persists repeat washing and obtain medical advice.

Eye contact
- If in eyes wash out immediately with water.
- Obtain medical attention if irritation occurs.

SDS: Plant of Health NatraStore4™, Issue Date: April 2026

5. FIRE FIGHTING MEASURES

Suitable extinguishing Equipment

- Use appropriate fire extinguisher for the surrounding environment.
- Compatible with dry chemical, water spray, regular foam and carbon dioxide fire extinguishing media.

Precautions in connection with fire

- Fire fighter to wear self-contained breathing apparatus and gas tight chemical resistant suit if risk of exposure to vapour or products of combustion.

Flammability

- Non-combustible under normal conditions of use.
- Not considered a significant fire risk, however container may burn and may emit harmful vapours.

HAZCHEM Code

- None allocated

6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures

- Wear Personal Protective Equipment (PPE) as detailed in Section 8 when cleaning up spills.

Environmental precautions

- Prevent from entering waterways or other aquatic environments.

Methods and materials for containment and cleaning up

- Recover as much product as possible for reuse. Wear Personal Protective Equipment (PPE) as detailed in Section 8. Do not contaminate waterways or streams.

7. HANDLING AND STORAGE

Precautions for safe handling

- Do not handle until all safety precautions have been read and understood.
- Wear Personal Protective Equipment (PPE) as detailed in Section 8 to prevent skin and eye contact, or dust inhalation. Avoid generating and inhaling dust. If dust exists wear respirator meeting the requirements of AS1715 and AS1716.
- Handle in well-ventilated area.

Conditions for safe storage

- Keep out of reach of children.
- Store in a cool, dry area in sealed packaging, protect from water/moisture.
- Store in a well-ventilated area.
- Do not store in prolonged sunlight.

SDS: Plant of Health NatraStore4™, Issue Date: April 2026

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Personal Protection

- Wear gloves and eye protection. The following Australian Standards will provide general advice regarding safety clothing and equipment: Respiratory equipment: AS/NZS 1715, Protective Gloves: AS 2161, Occupational Protective Clothing: AS/NZS 4501.1:2008, Industrial Eye Protection: AS1336 and AS/NZS 1337, Occupational Protective Footwear: AS/NZS 2210.

Exposure Limits

- Not established

Biological Limit Values:

- Not established

Engineering Controls

- Ensure sufficient ventilation to minimise exposure.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Various brown, tan, green granules and powder
Odour	Slight seaweed smell
pH	No Data
Melting point/freezing point	Not applicable
Boiling Point	Not applicable
Flash point	Non-flammable
Evaporation Rate	Not applicable
Flammability	Not combustible
Vapour Pressure	No Data
Vapour Density	No Data
Specific Gravity	1.1
Water Solubility	Slightly soluble (0.1 to 2%)
Auto-ignition temp	No Data
Viscosity	Not applicable
Conductivity	No Data
Coeff Oil/Water Distribution	No Data

SDS: Plant of Health NatraStore4™, Issue Date: April 2026

10. STABILITY AND REACTIVITY

Reactivity
- This product is stable under normal storage and handling conditions.

Chemical stability
- This product is stable under normal storage and handling conditions.

Possibility of hazardous reactions
- This product is unlikely to react under normal storage conditions.

Conditions to avoid
- Avoid extreme heat, flames and ignition sources. Avoid exposure to air. Hazardous polymerization reactions will not occur. Do not store with foodstuffs.

Incompatible materials
- No data available, avoid extreme pH and high temperature.

Hazardous decomposition products
- Only small quantities of decomposition products are expected from this product at temperatures normally achieved in a fire. Small amounts of carbon oxides.

11. TOXICOLOGICAL INFORMATION

Eye contact
- No data available - may cause mild irritation. Flush with water.

Skin contact
- No data available - may cause mild irritation. Wash with soap and water.

Ingestion
- No LD_{50} data available for this product. Swallowing large amounts may result in nausea, vomiting, abdominal irritation and diarrhoea.

Inhalation
- No data available. Prolonged single or repeated exposure to dust may result in mild irritation. Inhalation of dust and or liquid mists may irritate, inflame or sensitise the nose, through and lungs resulting in illnesses ranging from hay fever or asthma to pneumonia (e.g. Legionnaire's disease) or pneumonia-like illnesses.

Long term effect
- No data available.

Carcinogenicity
- No data available.

SDS: Plant of Health NatraStore4™, Issue Date: April 2026

12. ECOLOGICAL INFORMATION

Ecotoxicity
- No data available.

Persistence and degradability
- No data available.

Bioaccumulative potential
- No data available.

Mobility
- No data available.

Environmental Protection
- No data available.

13. DISPOSAL CONSIDERATIONS

Disposal methods
- Where possible, product should be used for its intended purpose.
- Dispose of in accordance with all local state and national regulations.
- Do not discard into drains or waterways.

Container
- Dispose of in accordance with state laws.
- Do not incinerate.

14. TRANSPORT INFORMATION

ADG Code
- This product is not classified as Dangerous Goods.
- No special transport conditions are necessary unless required by other regulations.

15. REGULATORY INFORMATION

SUSMP Poisons Schedule
- Not classified as hazardous.

SDS: Plant of Health NatraStore4™, Issue Date: April 2026

16. OTHER INFORMATION

Acronyms

ADG Code	Australian Code for the Transport of Dangerous Good by Road or Rail.
AICS	Australian Inventory of Chemical Substances
CAS Number	Chemical Abstracts Service Registry Number
Hazchem Code	Emergency action code of numbers and letters that provide information to emergency services especially fire-fighters.
IARC	International Agency for Research on Cancer
GHS	Globally Harmonised System of Classification and Labelling of Chemicals
NOHSC	National Occupational Health and Safety Commission
NOS	Not otherwise specified
NTP	National Toxicology Program (USA)
R-Phrase	Risk Phrase
UN Number	United Nations Number
SUSMP	Standard for the Uniform Scheduling of Medicines and Poisons
STEL	Short Term Exposure Limit
TWA	Time Weighted Average
LD_{50}	Lethal Dose for 50% Mortality
SCBA	Self Contained Breathing Apparatus

REVISION HISTORY

Date of issue: April 2026
Date of previous issue: April 2025
Reason for up issue: Update

DISCLAIMER

The data and recommendations presented herein are based upon research of others and are believed to be accurate.
